Assessment of Semi-processed [REDACTED] Material

25X1A2g

1. All Branches of the Materials Division have been contacted regarding the feasibility of discontinuing the dissemination of semi-processed [REDACTED] material. It is the opinion of the Branches that discontinuance of these unprocessed reports would not adversely affect Branch responsibilities.

2. It should be noted, however, that the Division has a considerable interest in the continued receipt of both the normal [REDACTED] reports and [REDACTED] reports.
